

Instructions for Authors

Any original research pertaining to orthopedic surgery, orthopedic science, or the teaching of orthopedics will be considered for publication in *The King/Hancock Journal*. Submissions to the journal are not limited to Wellstar Health System affiliates. authors from any institution are welcome to submit. Once accepted for publication, articles and illustrations become the property of *The King/Hancock Journal*.

All manuscript submissions should include the following:

I. **TITLE PAGE:** The title page should list the authors' names and institutions in order. The **corresponding author** must be clearly identified with mailing address, telephone number, and an email address. Statements including sources of funding and conflicts of interest must also be included.

II. **ABSTRACT:** Word count is limited to 350 words. The abstract should consist of five sections: *Background* (which states the primary research question), *Methods and Materials*, *Results*, *Conclusions*, and *Level of Evidence* (for clinical articles) or *Clinical Relevance* (for basic-science articles).

III. **PREPARATION OF MANUSCRIPTS:** Manuscripts must be typewritten and double spaced using wide margins. Write out numbers under 10 except percentages, degrees or numbers expressed as decimals. Direct quotations should include the exact page number on which they appeared in the book or article. All measurements should be given in SI metric units. The body of the manuscript should contain an Introduction, Methods, Results, Discussion, Acknowledgments (if any), References, and Figure Legend.

IV. **REFERENCES:** References must be in AMA format, be double-spaced, and list references *in order of use* (not alphabetically). References must be presented in the text by superscript numbers. All references must be cited in the text. Journal names should be abbreviated and capitalized according to the [National Library of Medicine](#).

V. **TABLES/FIGURES/LEGENDS:** Each figure and table should be submitted in the manuscript on its own separate page after the References. Each figure and table should be labeled to numerically and correspond to its call-out in the body of the manuscript. Figures

should be submitted as high resolution (300ppi) JPEG, PDF or TIF files. Figure Legends for all illustrations should be listed in order of appearance and single spaced. Web page images are to be avoided unless they are public domain. When submitting a work (for example, figure, table, illustration) that has appeared elsewhere, give full information about previous publication and reference the work; also, state and provide proof if permission to reproduce it has been obtained. Copyright permission to reproduce /figure/tables/illustrations can be obtained online via the Copyright Clearance Center.

VI. **SUBMISSION OF MANUSCRIPT:** Authors may submit the complete manuscript in a word document file with continuous numbering.
